

Message from our pastor...

To Poplar Springs family and guests,

Good morning, I appreciate you being here with us in worship today. If you are visiting with us today, I am excited that you decided to join us.

We set aside today as Sanctity of Human Life Sunday. While our challenges are great in the face of the tragedy of legalized abortion, there is an opportunity to stand for life and advance the Gospel as well. As Christ-followers we can play a significant role in spreading a life-affirming message, offering help and hope to parents. We need to actively continue to pray for these precious lives to be saved and pray for an end to abortion. Every person is created in the image of God, the Author of life. We are wonderfully made, each of us, from the moment of conception and valued by Him. I encourage you to join me in prayer over the next 10 days.

Prayer Guide

Day 1 Pray that God would help women choose life in the midst of an unintended pregnancy.

Day 2 Pray for the mothers who have had an abortion and are seeking the healing and peace that only God can offer.

Day 3 Pray that God would protect children in the womb from those who would perform or encourage an abortion.

Day 4 Pray that through the proclaiming of God's Word more people would be persuaded to value life at every stage.

Day 5 Pray for Godly wisdom and discernment for our legislators and judges as they hear multiple arguments, face many bills and feel political pressures that will affect the unborn.

Day 6 Pray for people to place great value on God as being our Creator. For when we value God, we will value His creation.

Day 7 Pray for the staff members and volunteers who work with abortion vulnerable mothers at pregnancy resource centers.

Day 8 Pray for the fathers. Pray for God to change the heart of those who are encouraging a woman to get an abortion. Pray for those who are grieving over losing their child.

Day 9 Pray for the families who are longing to adopt a child.

Day 10 Pray for an end to abortion.
